WHAT WE'RE DRINKING

Vergelegen Estate

This famous region is 30 miles north-east of Cape Town, yet still close enough to the ocean to benefit from cool maritime conditions. The Vergelegen Wine Estate is the third oldest in South Africa and was founded in 1700 by Willem Adriaan.

An iconic estate in Stellenbosch that has a great fusion of history, heritage and award-winning winemaking. The vineyard practices embrace organic methods across all 258ha, ensuring the land's health for generations to come.

The estate's flagship white. A superbly rich, subtly spicy Stellenbosch white, combining ripe stone fruits, citrus, and a touch of oak. Spends two and a half years in bottle before release. Complex and very yummy.

Finca Sophenia

The Pioneer estate winery is based in Gualtallary, one of the highest districts in the Uco Valley, Mendoza at around 1200m above sea level. It was founded by Roberto Luka in 1997, naming it after his partner's daughter Sophia, and his daughter Eugenia. The main vineyard area is at the base of the Andes in the valley of the Mendoza River.

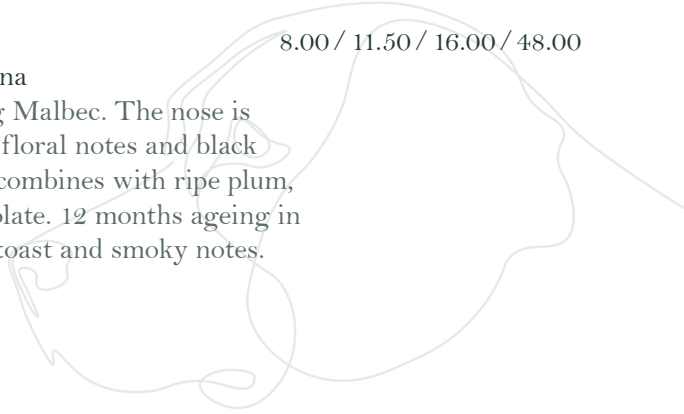

Red

Malbec Synthesis
